

2. Bauabschnitt

The drawing illustrates the second construction phase of the tram line. It shows the intersection of the main line with several side streets: Am Gürtelbahnhof, Fähr-Quai, Grotzke, Schmalzengasse, and others. The drawing includes tram tracks, pedestrian crossings, and various traffic signs (stop, yield, priority, etc.). A large circular intersection is shown at the top right, with a tram crossing it. The drawing is labeled '2. Bauabschnitt' in red at the top.
